

Inclusive Volleyball Event Day

Participant Information Sheet

North Harbour Volleyball Association and Harbour Sport are providing a free volleyball event day for children with disabilities. This event day will provide children the opportunity to get involved in a fun social event day where they will learn the basic volleyball skills through a range of games and exercises. The drills and games will be catered to suit their needs ensuring this is an inclusive environment where everyone is able to participate and have fun. Harbour Volleyball are excited to have partnered up with Harbour Sport to bring you this new event.

Parents and caregivers are welcome to stay at the event, we will have bleachers available in the facility, and there is subway just next to the gym facility. We will be providing a light snack during the halfway interval during each session for the participants. This provides individuals the opportunity to have a break, rest, and meet new people. The food will be gluten free, dairy free, nut free (most likely carrots, apples, hummus, and gluten free crackers).

AUT Gymnasium Directions:

AUT University North Campus Gymnasium, 90 Akoranga Drive, Northcote

The event will be held in the Gymnasium labelled in orange on the map. Enter through the “Main Gate” off Akoranga Dr and follow the red line on the map to access the parking spaces. Labelled yellow on the map is suitable parking that is closest to the entrance to the facility. Parking is free on weekends. Walk past the driving range (green line) and on your right you will find wheelchair access to the facility. When you walk in you will see the gymnasium straight ahead of you. We will have individuals in the carpark and the main entrance to point you in the right direction in case there is any confusion.
