

Centre of Movement Wellington Pop Up

Centre of Movement are bringing a multidisciplinary intensive therapy to you. Our highly skilled Rotorua team will be joined by the founders of the Centre of Movement, Emily and Stephen Pennisi.

This program brings together a fully integrated approach, including **Dynamic Movement Intervention (DMI)**, the **Universal Exercise Unit (Spider Cage)**, **Theratogs**, **Trexo Robotic Walker**, and other specialised equipment/modalities. Each session is tailored to your child, with a focus on building skills such as head control, sitting, standing, walking, upper limb use, and everyday independence.

If this has been something you have been hoping for, we would love to hear from you. Spots are limited and session times are subject to availability.

Program Details:

- Dates: 1st June - 19th June
- Location: 5 Lyttelton Avenue, Porirua
- Individual 60-minute consultations also available
- 1, 2 & 3-week programs available
